

YOUNG TRANSATLANTIC INNOVATION LEADERS INITIATIVE

WHAT?

A landmark program to connect the next generation of entrepreneurs and innovators in Eurasia and America. Ytili empowers entrepreneurs and innovators with the tools, networks, and resources to contribute more fully to economic development and job creation, security, and good governance.

WHO?

Young (ages 24-35) diverse, enthusiastic, and creative individuals with innovative, ready-to-scale, or socially-engaged small enterprises from across Eurasia.

WHEN?

The fellowship application process will be open January 29 through March 2, 2018 with selection by April 12, 2018. Please check the website for additional details and eligibility. The 2018 program will include an opening summit in Europe in June 2018 and travel to the United States in Fall 2018.
